flower heads

5L/23cm
6-10
flower heads

Musically labeled

The Music Collection® label is remarkable for its unique shape and appearance. The harmony in the label line connects seven colours of Hydrangea. For each Hydrangea valuable information for the consumer is added.

Distinctive pot printing

The different pitches on the Music Collection® pot form a beautiful melody. A recognizable pot print that binds the seven musical styles, each with its own timbre and label.
