I have prescribed **Healthy Height Shake Mix** for the dietary management of:

This letter provides information about the patient's medical history and diagnosis and a statement summarizing my treatment rationale.

Patient's History and Diagnosis:

Treatment Rationale:

Duration of Treatment:

Healthy Height Shake Mix is a nutritional drink that is calorically dense (1.5 kcal/mL) with intact nutrients, includes proteins, fats, carbohydrates, vitamins, and minerals, found in HCPCS Category B4160. This product is intended for the nutritional management of patients with:

- Short stature
- Growth delays
- Inadequate nutritional intake (cannot be met through regular dietary intake)

Healthy Height Protein Shake Mix is medically necessary for this patient's medical condition.

Thank you for taking the time to review this request. Please contact me should you require any additional information to verify coverage.

Sincerely,

Name:
