

Proudly Presenting Our Elite Trainer: Beth Nehse

In 2006, I started the search for the right saddle. At our Regional Dressage Finals, I went to every saddle company booth and sat in all available saddle models. By the end of the third booth, I was discouraged with just one more to try... Trilogy. As soon as I sat in the Trilogy Verago, I knew I had found what I was looking for! A saddle that was not only comfortable, and sat me in the correct position, but was appreciated by my horse as well. Soon after, I became the proud owner of my first Trilogy saddle! Over the years, I have continued to be impressed by Trilogy. I can not even begin to say enough about the quality of the saddles and the customer service that my clients and I have received. A huge thank you to Debbie and Peggy, my regional saddle fitter! It is a pleasure to help represent Trilogy.
