

Proudly Presenting Our Elite Trainer: Jodi Pearson-Keating

I have had the privilege to ride in Trilogy saddles for several years now. I use them on a variety of breeds, sizes, and shapes of horses and Trilogy has been able to find a saddle that fits each one beautifully. They offer many different models, styles, and options to fit many tastes. My horses are happy, my clients are riding better, and I truly enjoy riding in all the Trilogy saddles in my barn. The customer service and saddle fitting is exemplary as well! I highly recommend Trilogy!!!
