

Proudly Presenting Our Elite Trainer: Mattalyn Rogers

Trilogy saddles have been game-changers for myself, my clients, and our horses! While my loyalty and adoration belong to the Verago, most of my clients prefer the Amadeo, but regardless the model, the horses are happy and ride fabulously in their expertly fitted Trilogy saddles. I can see a marked improvement in top line development, lateral ability, freedom of gaits and most importantly--attitude -- with Trilogy saddles! Thanks to you, Debbie Witty, and our wonderful local fitter, Jennifer Jarnigan, for bringing such quality saddles and unparalleled service to our local community!
