

Proudly Presenting Our Premier Trainer: Mel Montagano

As a professional dressage trainer, I sit in a lot of different saddles. While there's many brands available, and the options are endless, I've always found myself gravitating towards Trilogy. I have known Debbie for over 10 years and I have always admired her professionalism, attention to detail and customer service. Purchasing a new saddle is a big investment, but Trilogy makes me feel confident in my purchases. I know that the saddle I receive will be stunning to admire and enjoyable to ride in for my horse and I. I chose to ride in the Verago and Amadeo models. I find it difficult to sit in most saddles and have severe lower back pain, sciatica and even numbness in my legs if I ride in a saddle that's inappropriate for me. Since riding in Trilogy saddles I have not had those painful issues arise. My clients have also boarded the Trilogy train and have fallen in love with the brand as well. Prestige Performance Horses USA is proud to be a part of the Trilogy Performance Saddlery team!
