

Proudly Presenting Our Rising Star: Kayley Knollman

As an FEI Junior rider, USDF Bronze medalist, and lifelong Dressage enthusiast, Trilogy Performance Saddlery has been one of the most invaluable elements of my riding. The saddles are not only handmade with the utmost quality and perfection, but also come with incredible service that keeps the saddle perfectly fit to your horse as they develop. In purchasing my saddle, I had a one-on-one custom fitting and demoing session with my fitter, finding the perfect model for myself and my horse, the Trilogy Verago. I truly love my saddle in that it supports and balances me with a deep seat and customizable short flap. I am so excited to be one of Trilogy's Rising Stars and continue to represent these amazing saddles!
