

- Multifunction HAIR SPRAY with the new Polymer
- The polymer penetrates into the hair by nourishing it, hydrating it and, if necessary, repairing it
- The hair thus re-finds its natural health, texture
- Ideal for defining movement and creating volume
- Instant evaporation
- Excellent anti-moisture and protection against external agents
- Invisible, shiny, flexible, long lasting film
- Lisynet has also the **Non-aerosol** range (eco-friendly)
