## Consignment Agreement

### Drop-Off & Selection Process

We happily accept freshly laundered & stain-free items for consignment. We will select the items we believe will appeal to our customers. There may be items we do not accept. Please bring no more than 50 items per drop-off. Please understand that our customer's brand preferences must dictate our selection guidelines. Items found during the consignment period with any flaws (stains, tears, missing buttons, broken zippers) will immediately be donated.

### Pricing & Pay-outs

We are committed to getting the best possible price for you. The price of your items will be set by Spring Children staff based on condition, brand, size, and supply and demand. Your items may be marked down towards the end of a selling season or during a promotional sale.

As the consignor, you receive 40% of the selling price on each of your items; 50% for each of your items sold for more than \$50. At anytime, you may use your account balance as store credit or request a cheque for account balances greater than \$25. For accounting purposes, after 2 full calendar years of no activity on your account, your funds will only be available as store credit.

### Displaying & Accountability

Your items will be displayed for 3 months. If you would like to retrieve unsold items, please contact us on or before the end of the consignment term and we will have them ready for you to pick up. If you would like your unsold items donated after the 3 month period, there is no need for you to contact us – your items will become property of Spring Children and will be donated or may be sold in a season-end sale. Donations are made to local charitable groups.

We appreciate you entrusting us with your items and we will do our best to safeguard them. However, Spring Children is not responsible for damage or loss.

I, \_\_\_\_\_, have read and agree to the above terms.
