November 30, 2018 | 6:51pm

**Brooke Shields**, Martha Stewart, Fern Mallis and Dennis Basso were among the VIPs spotted at the Loews Regency hotel to preview a holiday-shopping extravaganza organized by LTD by Lizzie Tisch.

“Dylan Lauren got behind a whimsical candy bar featuring Tisch’s favorite sweets to serve guests sugary fuel for their shopping,” said a spy.

Also on hand were Indré Rockefeller selling her Paravel luggage and Jenny Hutt and Stacy Fritz with their eyewear line, Bunny Eyez.
