

Volunteer Opportunities

- Storefront/Office

We are looking for volunteers who can come to our offices in downtown Cleveland weekly, biweekly, or monthly (with flexibility) to help customers as they come into the store, check them out if purchases are made, make sure the storefront remains neat and organized, and complete small office tasks as they surface (i.e. organizing files, storage bins, packaging products to be shipped, tagging products, etc.).

- Sewing

We are looking for volunteers who can also commit to coming to our offices weekly, biweekly, or monthly (with flexibility) with some type of experience in sewing. The volunteer would need to be able to help with cutting, stabilizing, and teaching basic sewing skills depending on the day.
