

RAM® Tough-Case™ Holder for Samsung Galaxy Tab Active3, Tab Active2, Tab A 8.4 & Tab A 8.0 Tablets

This RAM® EZ-Roll'r™ cradle is designed specifically to support the Samsung Galaxy Tab Active3, Tab Active2, Tab A 8.4 and Tab A 8.0 tablets with the RAM® Tough-Case™. The patented RAM® EZ-Roll'r™ design allows you to easily insert the tablet into the holder while keeping it secured in place while on the road. The RAM® Tough-Case™ Holder with fan comes with a built-in cooling fan to prevent overheating of the tablet for long term use. Optional tie-down points are integrated into the holder to allow additional strain relief of the RAM® Tough-Case™ coiled cable.
