

Government allocates 39600 MW of domestic Solar PV module manufacturing capacity under PLI (Tranche-II)

PLI (Tranche-II) to bring in an investment of Rs. 93041 crores; Generate over One Lakh direct and indirect jobs

Success of PLI in high-end Solar PV Modules manufacturing, a big boost to Prime Minister's vision of Atmanirbahar Bharat, Shri R. K. Singh, Union Minister for Power & NRE

48 GW of domestic Solar Module manufacturing capacity to be added in next 3 years

Posted On: 28 MAR 2023 1:34PM by PIB Delhi

The Government has allocated a total capacity of 39,600 MW of domestic Solar PV module manufacturing capacity to 11 companies, with a total outlay of Rs. 14,007 Crores under the Production Linked Incentive Scheme for High Efficiency Solar PV Modules (Tranche-II). Manufacturing capacity totaling 7400 MW is expected to become operational by October 2024, 16,800 MW capacity by April 2025 and the balance 15,400 MW capacity by April 2026. The Tranche-II is expected to bring in an investment of Rs. 93,041 crore. It will also generate a total of 1,01,487 jobs with 35,010 getting direct employment and 66,477 being indirectly employed. The list of the companies is at Annexure - A.

Speaking on the success of the PLI scheme, Shri R. K. Singh, Union Minister for Power & NRE said that India was well on its way to climb up the value chain in production of the high technology Solar PV Modules and this capacity addition is a major step towards making India *Aatmanirbhar* in solar manufacturing sector. "The PLI Scheme has proved to be a watershed event in India's Renewable landscape resulting in around 48 GW domestic module manufacturing capacity within next 3 years. Scheme has boosted Government's efforts to reduce not only the impact of global supply chain shocks but also our import dependence adhering to the Hon'ble Prime Minister's vision of an Aatmanirbhar Bharat," Shri Singh said.

A total integrated capacity of 8737 MW was allocated under Tranche-I of the Scheme, in November-December, 2022. Considering the two tranches together, the total domestic solar PV module manufacturing

capacity allocated under the PLI Scheme is 48,337 MW, with a cumulative support of more than Rs. 18,500 Crore by the Government.

Annexure - A

Capacity awarded under PLI Scheme (Tranche-II)		
P+W+C+M Basket		
Sr. No	Name of Bidder	Manufacturing Capacity (MW)
1	Indosol	6000
2	Reliance	6000
3	First Solar	3400
Total		15400
W+C+M Basket		
Sr. No.	Name of Bidder	Manufacturing Capacity (MW)
1	Waaree	6000
2	Avaada	3000
3	ReNew	4800
4	JSW	1000
5	Grew	2000
Total		16800
C+M Basket		
Sr. No	Name of Bidder	Manufacturing Capacity (MW)
1	Vikram	2400
2	AMPIN	1000
3	Tata Power Solar	4000
Total		7400
Grand totals		39600
