Inspirational Speaking:

"Brent's presentation was heartfelt, insightful, funny and perfect for SLPs who don't have a lot of first-hand experience with autism. I learned a lot about the literal mind."

-Therese Samson-Wenham

"Thank you so much for sharing your truly amazing story with our class. You are an inspiration to others by sharing how you see the world. You empower others with autism to be proud of who they are."

-Andrea Smith

"This presentation touches everyone. I watched a room of 400 become engaged in Brent's invitation to see what his mind sees when he processes what the world communicates."

-Reva Guimont

"Brent Anderson offered one of our best presentations ever. I have received so many thanks from the organization. People were amazed how much this impacted and affected them."

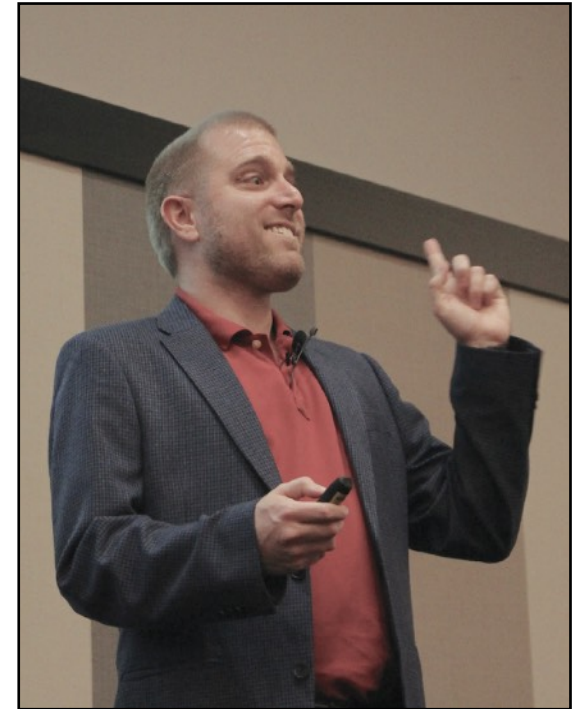

-Melanie Farber

"Prior to Brent's presentation, I had no idea the literal mind existed. The concept is exposed brilliantly through Brent's sense of humor & cartoons. He is an inspiration to what is possible for people with disabilities, their loved ones, and helpful to all educators."

-Tom Dalcoma

"Brent is the Temple Grandin of his generation."

-Larry Rice
