

MYLANDS

OLIVE STONE EMULSION PAINT FOR INTERIOR USE

PRODUCT NAME	CODE	SHEEN LEVEL
Olive Stone Emulsion	50 301 0001	2%

PRODUCT DETAILS

An innovative paint with maximised 56% bio-based content, plant-based resin and a natural fillers. We have sought to use materials more efficiently and to prioritise natural alternatives. Alongside calcined clay and calcium carbonate we have introduced the use of olive powder - a by-product of the olive oil industry - where olive stones are ground into a powder to act as a filler for our paint. Being an upcycled by-product, it is a sustainable, natural alternative to synthetic fillers. Our resin is an amine-free, alkyd, plant oil resin containing a high level of bio-based carbon. Its high quality and durability increase the lifetime of our paint. Suitable for all interior walls, available in all colours, 2% sheen.

APPLICATION

- ◆ Before use clean surfaces to be painted ensuring any grease, dirt or flakes are removed.
- ◆ Do not use in extremes of temperature.
- ◆ Use between 8°C and 30°C.
- ◆ Stir well before use.
- ◆ This product is formulated for brush or roller application.
- ◆ Use over appropriate wall primer if required.

THINNING

This paint has a high pigmentation.

On porous surfaces (e.g. bare plaster) Apply Mylands Olive Stone Wall Primer, or Olive Stone Emulsion diluted 45% on the first coat. Marble Matt diluted up to 10% on the second coat

On already painted walls Apply Olive Stone Emulsion diluted 10%
