1. ORIGINAL REMIX creates unique products by remixing ordinary objects into something new. Root Vases are designed to be a simple and low-maintenance way to care for plants. The plant foliage is supported by a cork top as the roots grow down and are visible to see. Root Vases add greenery and beauty and elevate any space. Simply add a cutting and watch your plant grow. Also available with a wooden stand. Discover more at www.originalremix.com and follow @original__remix on Instagram.

2. NEWD ELEMENTS creates new from the old by diverting materials from going to the landfill, and transcending them into modern functional lifestyle goods. Reclaimed cork [from restaurants and wineries] transforms into these vessels which include a recycled glass insert. A little hygge meets coastal. Visit shopnewd.com and follow @newdelements on Instagram for more.

3. CARRIER COMPANY is a family run firm making sustainable clothing and equipment in the UK since 1995. Inspired by gardening and foraging on the North Norfolk coastline, Carrier Company works with naturally resilient fabrics on designs for men and women that perform year round and stand the test of time. Visit www.carriercompany.co.uk and follow @carriercompanyuk on Instagram.

4. Inspired by indulgent scents that evoke loving memories, **MÁZO CANDLES LONDON**'s sustainable, hand-poured candles in four luxurious blends use only 100% natural biodegradable wax, pure cotton wicks and carefully balanced layers of natural essential oils whose fragrance evolves throughout the burn to create beautiful, room-filling aromas. Shop online at www.mazocandleslondon.com

5. CAVE JEWELS Founded by Italian designer Chiara Avezzu', Cave Jewels celebrates the past and present by repurposing old jewels into bespoke new pieces. Besides custom cherished heirlooms, the brand presents a cult edit of hot air balloon earrings and pendants inspired by the elements of fire, water, earth and air, combining the natural beauty of gemstones with gold and enamel. Visit www.cavejewels.com and follow @cavejewels on Instagram.

6. MANUELA MENZI STUDIO is based in Zurich and creates unique collections of collaged wrapping paper. Whether it's a heartfelt gesture, a celebration of milestones, or simply adding a touch of elegance to everyday presents, this wrapping paper makes every present a work of art. For further information, visit www.manuelamenzi.com or follow @manuelamenzi_studio on Instagram.

7. BALUSHKA RESORT WEAR create vacation-inspired styles that are sophisticated, elegant and timeless. Supporting the concept of 'eco-chic', they use high-quality linen and unique hand embroidery techniques to craft sustainable garments and support artisans. Visit lovebalushka.com and follow @love.balushka on Instagram.

8. Linda Coss of **EARTH & TWINE** is a small batch ceramics artist who creates hand-formed utilitarian wares and jewellery combining functionality and design. Her pieces elevate your experience while becoming part of everyday life. Her aesthetic developed from a heritage combining Vietnamese culture and American craftsmanship. Purchase pieces solely at earthandtwine.com and follow @earthandtwineceramics on Instagram.

9. ACARRE™ 'Beauty Refresh', rich in minerals and rare earth elements, is a multi use bioactive treatment powder. This powder helps to leave your scalp and skin feeling clean and moisturised. Visit acarre.co and follow @acarrebeauty on Instagram, Facebook, Pinterest, Tiktok and Twitter.

10. PALMA DE SALUS, female-founded and inspired by South Asian roots, blends nature's healing power with doctor-formulated products. With a timeless design, they combine traditional and modern medicine to create elevated everyday essentials. Their all-in-one hand serum will keep your hands hydrated and protected all day long. Visit palmadesalus.com and follow @palmadesalus on Instagram.
