RING SIZE GUIDE

Print this page on to an 8.5 x 11 letter size sheet of paper.

Page scaling should be set to 100%.
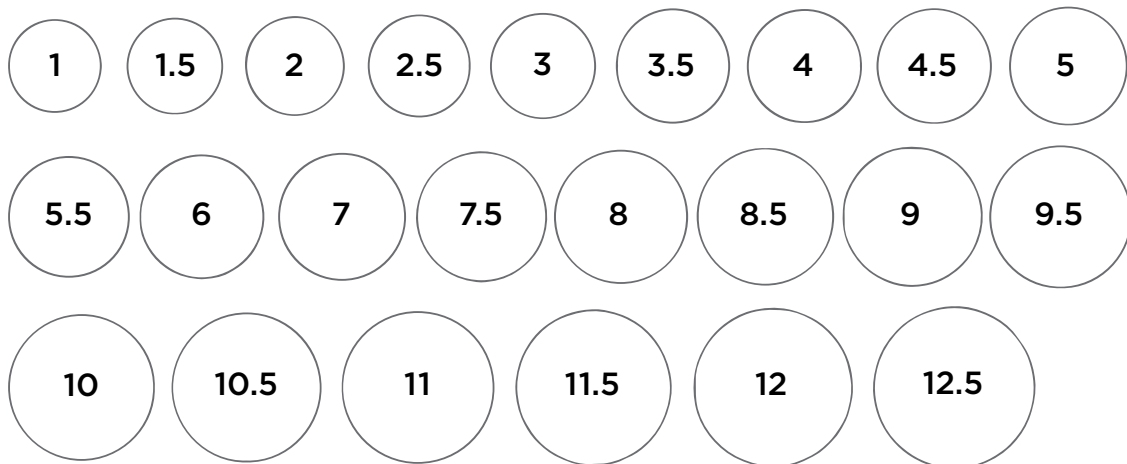

To check the accuracy of your print, measure the line below.

The line should be exactly 2 inches.

2 inches

Then, find an existing ring that fits well and align the inside edge

of that ring to one of the circles below. This is the ring size.

If the ring is between sizes, we recommend choosing the larger size.
