Assembly Instruction as below:
Step1: First, assemble the square tubes (F) on the two open ends of the middle side frame (B) using bolts (1). Second, assemble the middle and left side frames (B) & (A) using bolts (1). Third, assemble the right and middle side frames (C) & (B) using bolts (1). Then, insert the top caps (5) onto the tops of the left and right side frames (A) & (C), and the bottom caps (4) onto the bottoms of those side frames.

Step2: First, put the top shelf (D) on the finish portion form step 1 and fasten using large screws (2). Second, place the two shelves (E) between the left side frame (A) and middle side frame (B) and fasten using small screws (3). Third, insert the casters (6) on the back of the side frames and insert the locking casters (7) on the front side of the frames.

Step3: Slide the baskets (H) between the right side frame (C) the middle side frame (B).

Step4: Assembly completed.
