Signature of this application for open account charge privileges constitutes full acceptance of the terms and conditions of purchase stated on all price sheets. Credit is a privilege extended to customers who are consistent in paying their bills on time. If credit is extended beyond our normal payment terms we may exercise our option of assessing finance charges on your account not to exceed the legal maximum. I/we understand a finance charge of \$25 is applied to checks returned for insufficient funds. Also, if my account has been placed in the hands of an attorney for collections, or if collection is made through bankruptcy, or probate proceedings, I do agree to pay attorney's fees and court costs so incurred by Warren Diesel Injection. **Our payment terms from date of invoice, not receipt of invoice or receipt of goods.** If your account is past due, we may, at our option, place your account on credit hold and release no shipments until it is in satisfactory condition.

The undersigned personally certifies that all the information on the form is correct, fully understands the credit terms, agrees to the proper payment in consideration of extended credit, and agrees that if credit terms are not honored to be responsible for interest at the maximum legal rate in Pennsylvania and costs of collection, including reasonable attorney fees. I/we agree to the above terms and conditions and apply for open account privileges.
