Cool Gear International Launches Stainless Steel Cayambe Line

On-Trend Hydration Bottles and Tumblers

PLYMOUTH, MA (February 6, 2017) - Cool Gear International, LLC, a global leader in the hydration and housewares category, today announced the launch of its new Cayambe collection of stainless steel hydration bottles and tumblers. The single wall and double wall insulated beverage containers are sleek, stylish and on-trend.

The Cayambe collection of stainless steel bottles and tumblers are the perfect balance of hot and cold. Double wall products keep drinks hot for 6 hours and cold for 12 hours with vacuum insulation. A convenient silicone bumper provides a non-skid foundation on single wall bottles, while the metallic colors provide a beautiful background for graphics.

Cayambe Bottle Features:

- 304 grade stainless steel
- Stainless steel screw top lid
- Carry loop included
- No skid bumper on single wall bottles
- Double wall vacuum insulation to keep drinks colder, longer
- Capacity: 18oz., 24oz., 28oz., and 34oz.
- Available in solid colors, and with graphics

Cayambe Tumbler Features:

- Double wall 304 grade stainless steel
- Vacuum insulation to keep drinks colder, longer
- Press fit lid included
- Capacity: 20oz. and 30oz.
- Available in solid colors, and with graphics

The Cayambe collection will debut at the 2017 International Home + Housewares Show in March in Chicago. The show is the premier event for connecting innovative industry leaders with buyers in the housewares market.
