

JAMES MARTIN
 VANITIES
 EMMELINE

The sculptural Emmeline Collection is a marriage of form and function. Available in three sizes, this collection features dramatic, faceted panel drawers which house ample storage with a removable organizer. The Pebble Oak finish highlights the geometric pattern of the wire-brushed grain, while the complex shapes add both visual and tactile depth, making Emmeline a functional work of art.

Countertop Options

Emmeline 72" Double Vanity in Pebble Oak with Rohe 26" x 40" Mirror in Matte Black – 715-M26-MB
 The top drawers each have left and right storage areas bridged by a shallow center area to allow space for the sink.
