
MINIMUM ADVERTISED PRICE POLICY

At James Martin, our vanities and mirrors provide exceptional value to the consumer as well as a reasonable and fair margin to our valued partners and dealers.

In order to help ensure that we maintain a level and fair playing and to accommodate the wide variety of consumers and resellers of James Martin products, we do enforce and maintain a Minimum Advertised Price (MAP) for our products.

The MAP is specified in the price guide and is the minimum amount that the product can be advertised for sale when adding the price of the product and any related shipping costs. The costs must be able to be verified at the cart level without the need to login or provide any information other than the zip code. The use of coupons, store discounts or card discounts may be allowed provided that the pricing for a particular product is not advertised at less than the MAP. We understand there are countless methods for advertising products and sales. As such, James Martin shall make the final determination as to whether a particular advertisement is in violation of our policy.

You can notify customercare@jamesmartinvanities.com of any MAP violations and we will do our best to research and adjust the advertisement. In the event we determine that you are in a MAP violation, we will notify you to correct the pricing immediately. Repeated violations or failure to adjust the ad may result in a suspension of shipping for your account and could result in termination of your account.
