ECLIPSE

A new outlook for Joslin.

~

A collection designed, developed and produced
throughout the COVID-19 Pandemic.

Behind this collection there is fear, anger, sadness, uncertainty,
envy, despair, loneliness, anxiety, confusion, frustration
and hopelessness.

But there is also happiness, excitement, adoration, relief,
freedom, admiration, anticipation, passion and *love*.

~

I am eternally grateful to everyone who has supported
me during this uncertain time, *thankyou*.

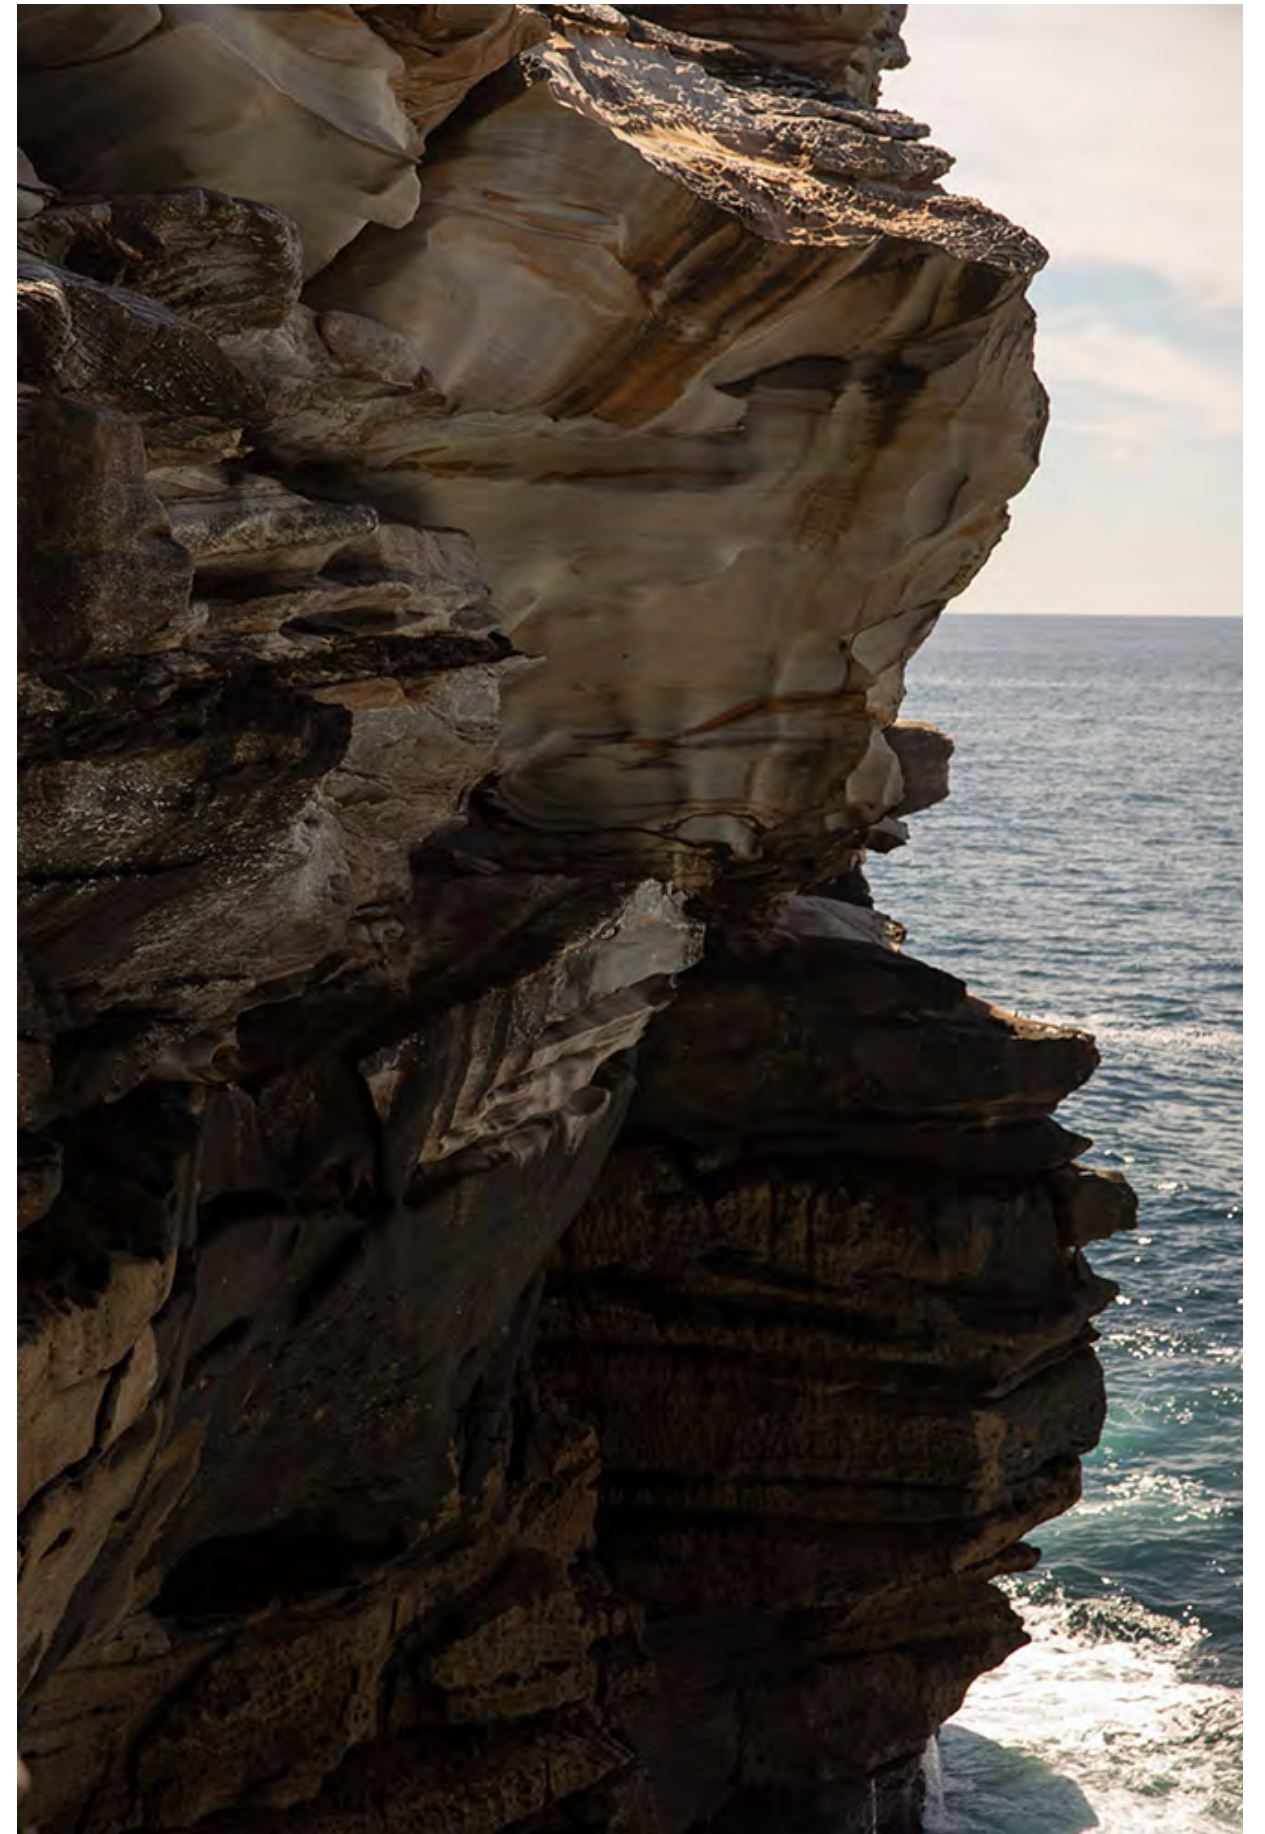

There may never be another time like this.
