

PRODUCT DATA

1101 EMULSIFIER

Low foam Cleaner and Degreaser For Automatic Scrubbers

1101 EMULSIFIER is a concentrated low foaming cleaner and degreaser, formulated for use in automatic scrubbing machines.

A highly effective and economical formulation, it quickly penetrates and emulsifies dirty grimy and greasy soils. It's quick acting soil suspending properties, assures a clean surface without the costly laborious task of repeated applications.

Directions: Use at 1 part product with 50 to 100 parts water for most applications. If using a mop and bucket method, use 1 part with 15 to 30 parts water depending on severity of soil.

Refer to the Material Safety Data Sheet for safety information.
FOR INDUSTRIAL and INSTITUTIONAL USE ONLY.
