

## PRODUCT DATA

# CHECK OUT

## **Durable High Gloss Acrylic Copolymer Floor Finish**

**Specially designed for wear areas in high traffic situations, such as at check out counters in supermarkets, shopping malls, lobby areas, etc.**

The highest performance, non urethane, finish, that resists scuffing, scratches and heel marks, even under heavy traffic. It has been formulated with no yellowing styrene, thereby offering a rich high gloss shine.

**CHECK OUT** has been designed to give the applicator, a minimum maintenance finish. It is ideal for both non-buff and spray buff programmes.

**CHECK OUT** is easy to apply with minimum mop drag and excellent levelling and adhesion. It has outstanding water resistance and dries fast for easy recoatability.
