

# FOAM FREE

## FOAM SUPPRESSANT

**READY TO USE  
ECONOMICAL  
VERSATILE**

**FOAM FREE** is a silicone based product, that works instantly and efficiently, to break down troublesome foam in recovery tanks of carpet extractors and floor scrubbing machines.

**FOAM FREE** may be used in acidic or alkaline situations and therefore reduces inventory costs.

**FOAM FREE** is not affected by temperature and is therefore very versatile.

**FOAM FREE** is extremely economical and saves money. It allows recovery tanks to be fully utilized, by saving costly labour involved in dumping of the solution tank less often.

**FOAM FREE** may be diluted at only 7 ml per 4.55 litres of solution, or 70 to 80 ml in a recovery tank.
