ODOR ZYME

BACTERIA / ENZYME MAL ODOR DESTROYER

- Safe
- No chemicals
- Biodegradable
- Non pathogenic

ODOR ZYME uses "Nature's way" to eliminate and not mask foul odors. The enzyme producing bacteria, provide instant odor control, by digesting odor causing bacteria. **ODOR ZYME** kick starts a chain reaction of bacteria - forming more bacteria - and therefore more enzymes. As long as there is a food source, there is rapid multiplication of odor digesting bacteria.

ODOR ZYME, provides instant odor control and residual control of odors, caused by dampness, mildew, mold, food, urine, fecal matter, vomit and all types of organic waste.

ODOR ZYME makes an excellent pet mal odor destroyer. Use it to remove stains and odors in carpets, on hard surfaces, in litter boxes, etc. Makes an excellent remover of skunk odor.

The product is safe to use on carpet, furniture, walls, trees, shrubs, grass, etc. It is completely biodegradable and environmentally safe.

USES: Carpeting, upholstery, draperies, laundry hampers, holding rooms, sport shoes, locker rooms, garbage chutes, garbage bins, garbage trucks, auto interiors, washrooms, hospitals, nursing homes, smoking areas or anywhere odor is a problem.
