

# TRUCK WASH

**TRUCK WASH** is a one step brushless cleaner for washing trucks, trailers, heavy duty equipment, recreational vehicles, and boats.

**TRUCK WASH** is a maximum concentrate truck and trailer wash that removes exhaust deposits, road film, and bug residues from vehicles without brushing. **TRUCK WASH** can be used on any vehicle surface: plastics, rubber, flooring, walls, or metal to remove road film, grease, dirt, and oil.

Dilute as follows: 1 part product with 12-100 parts water.

**DIRECTIONS:** Only mix with water. Test diluted product on surface to be cleaned in an inconspicuous area when using for the first time. For best results allow 2 minutes contact time for product to penetrate soils but do not allow **TRUCK WASH** to dry.

*For brushless removal of road film: Apply 25:1*

*For pressure washer cleaning: Apply 100:1*

*For heavy duty cleaning (heavily soiled areas): Apply 12:1*

*For vertical surfaces: apply **TRUCK WASH** from bottom up. Pressure rinse from bottom up, final rinse from top down.*

**Consult label for additional application and precautionary information before using**

**Read the Material Safety Data Sheet before handling this product.  
FOR INDUSTRIAL and INSTITUTIONAL USE ONLY.**
