

## PRODUCT DATA

# TURBO CLEAN

## Multi Purpose Cleaning Concentrate

### SAFE ON ANY SURFACE NOT HARMED BY WATER

**Turbo Clean** combines outstanding penetrating and wetting power with chelating agents, that quickly loosen, lift and suspend all problem soils and dirt. It works well even in the hardest water. It is super concentrated, so a little goes a long way.

This uniquely formulated product gives it the power to remove dirt and grime, without the loss of gloss on waxed or polished surfaces. This extends the length of service between stripping and refinishing floors, thereby trimming labour and material costs.

Painted surfaces are cleaned without dulling or streaking. It is also pleasant to work with and leaves a nice clean fresh fragrance.

- ✓ Extremely versatile - use by mopping, wiping, spraying, soaking, pressure washer application or use in an automatic scrubber.
- ✓ Economical - Use only 1 part with 20 to 80 parts water
- ✓ Bio degradable
- ✓ Non toxic
- ✓ Leaves no residue or haze
