

PRODUCT DATA

TOP SEAL

WATER BASED ACRYLIC SEALER

- **SEALS VINYL, RUBBER, ASPHALT TILE and TERRAZO**
- **PREPARES FLOOR SURFACE FOR ACCEPTANCE OF FINISH**
- **SEALS THE PORES OF THE SURFACE, THUS SAVING FINISH COATS.**
- **WILL NOT YELLOW WITH AGE**
- **EASILY REMOVED WITH CONVENTIONAL STRIPPERS**

TOP SEAL forms a hard coating, that penetrates the pores of the floor, to protect against abrasion from traffic and chemical use. This helps extend the life of the floor thereby saving costly replacement.

TOP SEAL also provides a smooth surface, for application of floor finishes or waxes. It dries to a bright, non yellowing shine, that enhances the beauty of the floor.

TOP SEAL, mops on easily and has excellent coverage, approximately 500 square feet per litre.
