

PRODUCT DATA

VINYL SHINE

A REVOLUTIONARY ONE STEP CLEANER AND POLISH, THAT BUFFS TO A LUSTROUS FINISH.

Easy to use - spray on and buff

Versatile - may be used on any surface

Economical - leaves a protective film to repel water, dust, finger marks, etc.

This water based all purpose dressing restores shine and luster to vinyl, plastic, leather and rubber surfaces inside and outside your vehicle

VINYL SHINE maintains an attractive luster on the dashboard, door panels, exterior molding, tire, vinyl, bumpers, console, exterior trim, tires, leather or vinyl seats, plastic engine components, and rubber weatherstripping.

The dressing has a high gloss shine when applied full strength but does not attract dust because it is water-based.

DIRECTIONS: Apply with a sprayer or similar device. Spray a light mist of **VINYL SHINE** over surface to be polished. Wipe clean and polish to a soft lustre with a clean cloth. Use on glass, Plexiglas, vinyl, marble, leather, brass, etc. Wipe off soil and finger marks with a dry cloth. Reapply as required.

CAUTION: Do not use on floors. Avoid overspray as floors will get slippery.

Refer to the Safety Data Sheet for safety information.

FOR INDUSTRIAL and INSTITUTIONAL USE ONLY
