

PRODUCT DATA

CLEAR PLUS

Concentrated Glass Cleaner

A concentrated formula that economically cleans glass, stainless steel, tile, plastic and most non-porous surfaces quickly and streak free.

A unique blend of solvents, emulsifiers and surfactants combine to effectively clean glass and other surfaces.

Directions:

*Dilute 1 part **CLEAR PLUS** with 10 parts water. Spray a small amount of the solution or put on with a damp cloth or sponge. Polish with a clean soft cloth.*

CLEAR PLUS IS PHOSPHATE FREE AND BIODEGRADABLE
