

# DE SCALE

## Safe Industrial Concentrated Descaler

**Ideal for all stainless steel and other  
equipment**

**De Scale** safely removes all scale, rust and stains from food processing and dairy equipment. Use in storage tanks, inside and outside of tank trucks. In pasteurizers, homogenisers, clarifiers and separators.

**De Scale** may also be used in hospitals and restaurants for safe descaling of steam tables, dish washing equipment, sterilizers, etc.

**De Scale** is economical and may be diluted with up to 25 parts water

Consult label for complete directions before using
