

# Tapware *shopping list*

Shopping for tapware can be confusing but it doesn't have to be.

We have put together this shopping list to help the process.

This shopping list is designed to be used once per a room\*

*\*if you're doing 3 bathrooms, you will fill it out 3 times*

1. BREAK YOUR ROOM INTO ZONES; BASIN/VANITY, SHOWER, BATH, KITCHEN/LAUNDRY, DOORS & TOILET.
2. FILL IN EACH SECTION PER THE ZONE, ADDING THE QUANTITY REQUIRED.
3. WORK FROM LEFT TO RIGHT, THEN TOP TO BOTTOM.
