Jessica Handelman, the founder of this female-run Toronto-based company started this brand to bring luxury jewellery to the everyday person at affordable prices. Our beautiful pieces will last you a lifetime, and elevate any outfit, whether it is loungewear today or something fancier for the future.

Jessica Jewellery runs on three core values:

## 💎 Pricing and Quality Guarantee

Our unparalleled access to inventory across the world and lean operating structure allow us to offer some of the most competitive prices in the industry; no need to wait for a holiday sale! Our products are made with the same quality and craftsmanship as Jessica's own personal collection, made to enjoy for years to come.

## 💎 Exceptional Service

Our clients are the most important part of this business. Servicing you with quick response times, superior attention to detail, and support long after the purchase was made, is what you can expect when shopping at Jessica Jewellery.

## 💎 Trust

Our customers can be confident in the authenticity and quality of our gold and diamond products. All custom diamond pieces are independently certified to ensure your product is created exactly as promised.
