## SHIPPING

Power Gear is looking to expand its business all over Europe; many other countries might be available soon. We currently ship to the following countries:

GERMANY  
 SPAIN  
 FRANCE  
 BELGIUM  
 HOLLAND  
 LUXEMBURG

We use international couriers for shipping our products; all of the good are shipped in cardboard boxes and/or pallets.

If you need to know the shipping cost for your country, visit us on [www.power-gear.it](http://www.power-gear.it) , select all of the products you are interested to purchase from our e-commerce by adding them to the basket, then insert your address; your shipping cost will be automatically available.

## PAYMENTS

Payment of ordered goods can be done the following way:

- via bank transfer before shipping (no money required for order confirmation)
- via Paypal; secure, fast and reliable. Supports credit cards, no registration required

- cash on delivery is not possible.

For further information, orders and request please contact us:
