

Returns Form

- Please make sure that items are returned in the original new, unused condition and in original packaging with any labels/tags still attached – the goods must be in fully resalable condition.
- Please take care with lotions, deodorant and makeup when you try on items as marked items will not be accepted.
- Please send the items back in good time ensuring that your returned items are received by our returns centre within 28 days from the date you received them, otherwise your refund may be refused.
- A refund will be credited to your original payment method within 14 calendar days of us receiving the returned goods. Please note some banks may take longer to credit your account. We are not liable and cannot take any responsibility for any bank charges that you may incur during the refund process.
- Pack the item up securely and make sure you include this Returns Form with your name, contact details and order number on it (we can't identify and refund it without this). For your convenience, use the returns address label and you can also reuse our postage bag.
- Send the items back to us. Customers are responsible for the return postage and will be liable for the goods until received by us therefore, you should ask for proof/certificate of posting when you despatch the items.
- If you have any queries or need assistance, please email us on orders@suitablysporty.co.uk
