

# Evergreen Premium

The Evergreen Walls Premium green wall panel is a commercial-grade, architecturally designed product that delivers a highly realistic aesthetic to walls. The panels are engineered using powder-coated galvanised steel framing and UV injection-molded pure pigment plants. Plant variation consists of 12 different botanicals equating to 90 plants per panel which are hand-fixed to the frame with cable ties. The panels are classified as **Group 2 fire-rated wall cladding**, adhering to **AS ISO 9705-2003** and **AS 5637.1:2015** standards. The modular panels are designed for easy installation, with each panel assembled with a unique botanical pattern that ensures life-like greenery appearance.

Product Name	Product Code	Width	Length	Thickness	Foliage Overhang	Pieces per Pack	Area (m <sup>2</sup> )	Weight	Warranty
Evergreen Premium	EW-EP2	900mm	900mm	80mm - 200mm	100mm	2	0.81m <sup>2</sup>	7.8kg	4 years (fading and cracking)
