

CORPORATE EVENTS

We offer a fully flexible events service based around any requirements of the client. We therefore do not have any rigid or set 'packages' as such.

We do however understand that it can be helpful to get some idea of what is available, so we can offer some guidance based on previous events we have attended/hosted.

BASIC CATERING

If you are hosting an event (product launch, private screening etc) and you simply wish for us to provide cheese for the event on a catering basis, we can offer per person packages starting from as little as £10pp.

Some of the factors affecting the event prices would be:

- staffing and presentation
- choice of cheese
- size of event

RETAIL CATERING (free to customer)

If you are hosting a free to customer retail event, such as a wine tasting or food event, we are able to provide cheese for the event as a retail stand.

In these cases we can provide cheese for customers and offer them the opportunity to purchase cheese that they try on the day, as well as signing up with us for updates and subscriptions.

Depending on the type of event, the particular conditions of the event, and promotion of the event, we are able to offer our services free of charge.*

* subject to late cancellation charges

TICKETED/BESPOKE EVENTS

If you are hosting a ticketed event, such as a wine and cheese tasting event, we are able to offer a full cheese consultancy package. This could include:

- an in depth consultation on the choice of cheeses that would suit your requirements
- the attendance of a cheese expert on the day to talk through the cheeses with customers
- elegant and professional presentation of the cheese

We are able to provide packages such as the above for as little as £15pp.

Should the event also include the opportunity for customers to purchase cheese on the day, we would be able to offer customers discounts.

As mentioned, we see every event as a totally unique and new proposition, so please do get in contact to discuss your specific requirements. We would love to hear from you.
