MerMade in America

SPECIFICATIONS

Using a patented six-inch boat cleat as a handle, CleatUS Cups™ are 6½ inches tall, 3½ inches wide, and hold twenty-four ounces of your favorite beverage.

The “Fun Meter”™ is visible through the bottom of the cup (while looking down into the mug) to gauge your good times and warn you when you’re running low.

These [unique beer mugs](#) are made out of food grade plastic (body) and ABS plastic (cleat). CleatUS Cups™ are BPA-free and safe for use with all beverages--and **yes, *they do float!***

CleatUS Cups™ are dishwasher safe; however, to protect the finish and artwork, it is recommended that they be washed by hand.

CleatUS Cups™ are not microwave safe due to the use of stainless-steel screws in the handle.

FIVE-YEAR WARRANTY

Virtually indestructible, CleatUS Cups™ should not crack, melt, shatter, or chip under normal wear and tear. We will replace them free within five years of purchase if they fail.

MADE IN AMERICA

CleatUS Cups™ are “MerMade in America”. Our manufacturing facility is located in Mooresville, North Carolina. We are “tied to American pride.”
