

MOSS AMIGOS WHOLESALE

Thank you very much for purchasing Moss Amigos wholesale. Here are some instructions to ensure that your shop is set up for success:

1. Remove pre-measured contents from the jar. Gently place stones from the bag into the jar.
2. Fill the jar with filtered, unchlorinated, room-temperature water.
3. Remove Moss Amigo from the bag, gently rinse, and place it in the water-filled jar.
4. Place lid on the jar.
5. Refresh water every 3-4 weeks or as desired. Keep leafy plants in sunlight.

Please let us know if you have any additional questions or comments by contacting us on Faire or emailing us at support@mossamigos.com.

Please tag us on Instagram posts and stories with our handle @moss_amigos. We would also love to share your social media pages with our +50,000 followers

For your convenience, we've also included an informative Moss Amigos fact sheet for your retail customers. We wish you the best of luck. Have a wonderful, mossy day!

Please let us know on Faire if there are any breaks or defects by sending pictures. We will send replacement parts ASAP.
