PA Rentals at Ted Good Music

Need to rent a sound system? Ted Good Music has you covered.

Booking a System

To book a PA System Rental - contact us with:

- The date of your event
- Your system requirements
- The duration of the rental period

Daily, Weekend, Long Weekend, Weekly or longer rental periods are available

Mandatory \$100 Non-Refundable* Booking Deposit at the time of booking locks in your rental.

This deposit applies to your final bill.

(Smaller rentals costing less than \$100 do not require the booking deposit)

*\$100 Deposit is refundable if you cancel the booking 14 or more days before pickup date.

Picking Up

Pickups must be made between 2:00pm & 5:00pm on the pickup date.

PA Rentals are to be fully prepaid.
The balance of the rental charges are due upon pickup (your booking deposit will be applied to the remaining balance)

A \$200-\$500 pre-authorization will be processed on your credit card - a valid credit card is required for all rentals.

(Visa Debit cards do not work).

This is a security deposit.

The pre-authorization temporarily holds the specified amount on your card for the duration of the rental period.

Once the equipment is returned safe & sound as described in the rental contract, the pre-auth disappears from your account. (this can take up to 7 business days - similar to when you check into a hotel)

Dropping Off

All PA Rentals are due back on the return date before 2:00pm.

Late returns are subject to additional fees.

See fee schedule for details.
