Well-Being Success Disclaimer

Each individual's well-being success depends on his or her background, health history, dedication, desire, intention, and motivation to become a better person, healthier, wiser and stronger.

Cancellation Policy of Services:

I prefer to set up a regular schedule to work with you but there is never an obligation to continue treatment. Our first session is 1-1.5 hours and follow-up sessions are generally the same in duration. However, because of the nature of my work sometimes sessions are longer. If you cancel an appointment please give as much notice as possible. I ask for full payment for the session if you cancel within 24 hours from the session time. If you need to cancel over a weekend, I ask for 48 hours cancellation notice.
