INSTALLATION INSTRUCTIONS

for Billetworkz Shift Knob

Congratulations on purchasing a Billetworkz Shift Knob Please read the entire installation manual prior to undertaking any activities related to installation of your new Billetworkz Shift Knob. In case you do not fully understand the manual or any of its parts, please contact us at info@billetworkz.com. This product should be installed by someone with basic wrenching knowledge and appropriate hand or tools. If you are not qualified for this work, please utilize a certified mechanic for installation. By installing Your Billetworkz Shift Knob, you indicate that you have read the installation manual in its entirety and you agree with the terms stated herein. It is your responsibility to follow all installation instruction guidelines supplied with the Billetworkz Shift Knob and undertake all necessary safety precautions. Billetworkz assumes no responsibility for damages occurring from misuse, abuse, improper installation, improper operation, lack of responsible care, or all previously stated reasons resulting from incompatibility with other manufacturers' products and/or systems.

IMPORTANT INFORMATION

Exclusion of Certain Liability

The manufacturer, importer or dealer shall not be liable for any incidental damage including personal injury or any other damages caused by improper installation or operation of the Billetworkz Shift Knob.

Billetworkz makes no representation or warranties with regard to damage caused by the improper installation, use, and maintenance of the Billetworkz Shift Knob. The warranty is limited to defects recognized by our technical department and due to normal use, and excludes items subject to normal wear. The guarantee is void in case of accident, modification, improper or competition use.

Do not attempt to install the Billetworkz Shift Knob on a vehicle model for which it was not made or tested by Billetworkz.

Technical specifications of Billetworkz Shift Knob and related products are subject to change without notice.

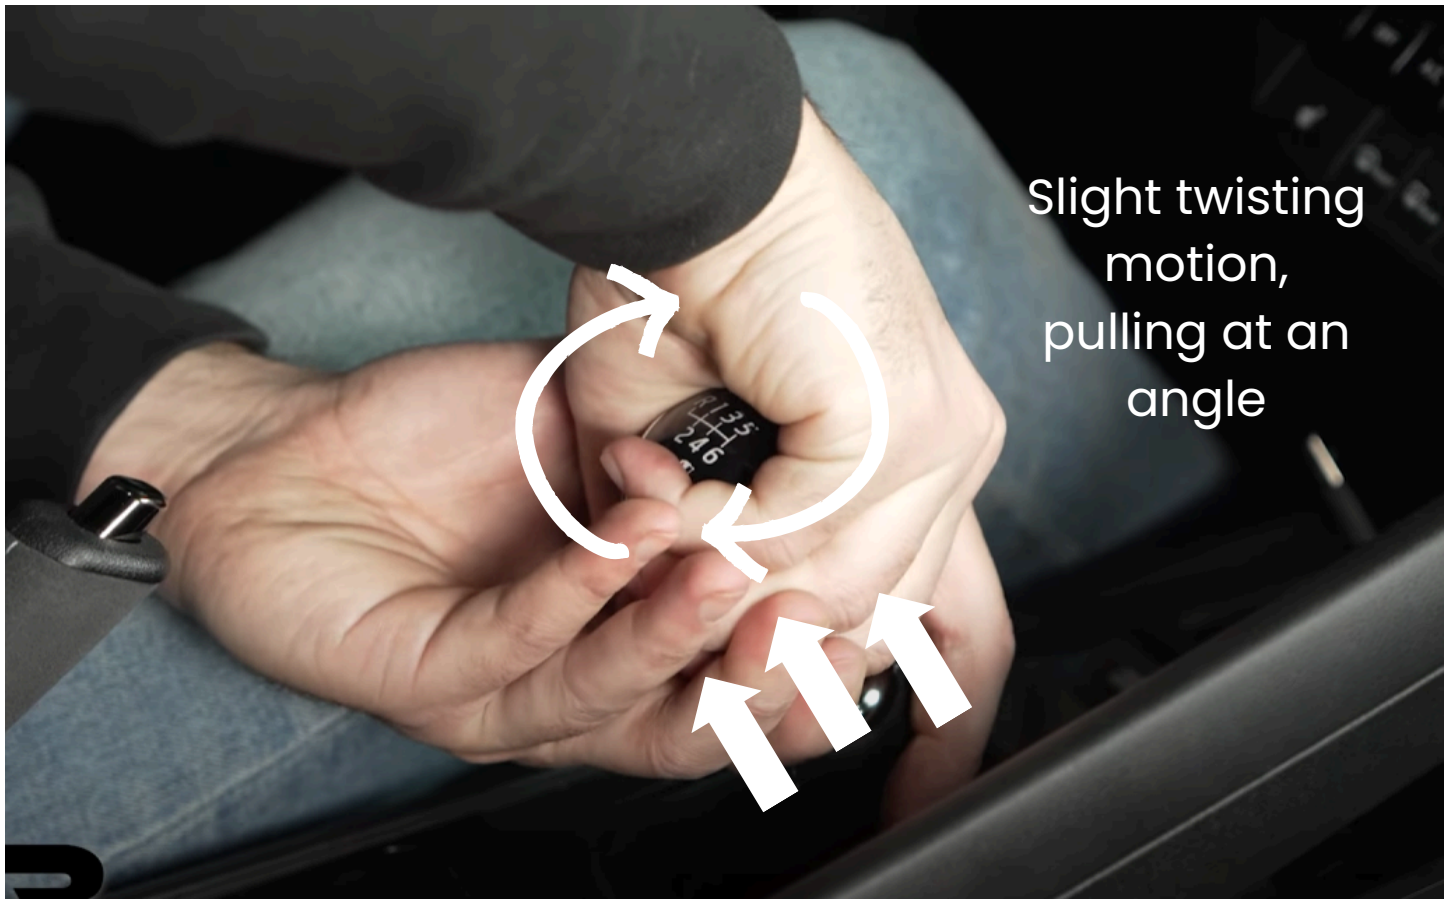

Before removing the original Shift Knob from your vehicle, please compare the parts you received with the list of materials provided in the installation manual in order to assure that you have all the parts necessary for the installation of your new Billetworkz Shift Knob.

Although this manual consists of instructions for installation in written form, as well as photographs and pictures representing individual steps of the installation, please note that the photographs and pictures are symbolic and are intended for representation of a general overview only. The photographs and pictures contained herein should serve as a guideline only and actual installation of the Shift Knob may not correspond with the photographs and pictures entirely.

The process of uninstalling the original Shift Knob may vary depending on the existing Shift Knob. Please follow the original exhaust system manufacturer's instructions for uninstalling the original exhaust system.

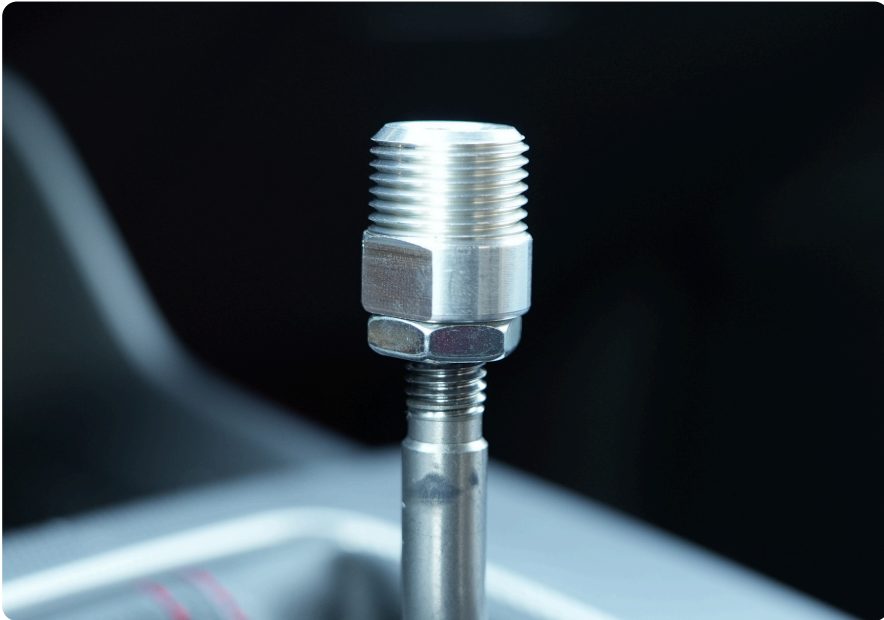

REMOVAL OF OEM/STOCK SHIFT KNOB

Ensure the vehicle is turned off. We recommended pulling the stock shift knob at a slight angle with both hands on a firm grip (to avoid hitting your face). Twist slightly as you remove and it'll come off.

INSTALL PROVIDED JAM NUT

Install the jam nut, then threaded insert onto the shifter

TIGHTEN JAM NUT & INSERT

Tighten the jam nut & threaded insert together using two (2) wrenches

INSTALL SHIFT KNOB

Install your Billetworkz Shift Knob onto the threaded insert

ADJUST AS NEEDED

If the engraving is crooked, remove the shift knob & adjust the jam nut & threaded insert

REMOVAL OF OEM/STOCK SHIFT KNOB

Reinstall the shift knob onto the threaded insert.

Repeat until the engraving is aligned and straight.

THATS IT

ENJOY THE DRIVE
