EYEWEAR COLLECTION 2019
JUNE UPDATE

Welcome to the exquisite world of ARCADIO – a name that has enchanted quality-seekers, elevated lifestyle standards and redefined experiences. We are one of the fastest growing lifestyle brands and our products are a perfect blend of quality, craftsmanship and innovation.

Our extensive range of offerings includes award-winning eyewear collections, swanky leather creations, cutting-edge electronic gadgets, flamboyant designer jewellery and delightful gift options. With the focus on excellence, ARCADIO has consistently created new benchmarks in innovation, design and craftsmanship. Hence, it is hardly surprising that within a short span of time, the brand has emerged as a force to reckon with in the global lifestyle arena.

In 2014, we won the Best Optical Collection by Vision Plus. A year later, ARCADIO was awarded the Best Sunglasses Collection for 2015 by In-Optics. Furthermore, ARCADIO was recognized as the most innovative brand.

Today our products are sold through more than one thousand retail outlets and chain across the world. Our products are also available on online marketplaces like Amazon, Flipkart, Paytm, Myntra across India, and globally on our brand website <http://arcadiolifestyle.com>.

We are offering franchises for exclusive ARCADIO lifestyle stores and shop-in-shop in high streets, shopping malls and airports. We also offer the grandest and the most inspiring corporate gifts with personalisation by having company logo embossed or printed on the product or on the packaging.

For all those who love to show the world their superior tastes, there is an ARCADIO product. Celebrate every moment of the year with an ARCADIO.

Cheers

ARCADIO[®]
MULTI-VISION
SOLUTION

ARCADIO introduces the world's first ever MULTI-VISION SOLUTION

The 4-in-1 pack that contains a classy Titanium frame for your prescription lens, and 3 optional clip-on glasses. In just a few seconds, you can transform your spectacles into a Polarized sunglass or a 3D glass or a Night Vision glass. So, break away from the limitations of your spectacles and enjoy the benefits of ARCADIO'S MULTI-VISION SOLUTION.

For more information watch the product AV @ <http://bit.ly/Multi-Vision-Solutions-AV>

ARCADIO's MULTI-VISION SOLUTION comes with ...

A premium Titanium frame, exclusively designed with multi-vision provision to suit your prescription power lens.

A polarized clip-on that helps

- Protect your eyes from harmful rays of the sunlight, ultraviolet radiation and mirrage effect
- Reduce glare and block reflection
- Protect your eyes from strain, thereby reducing stress
- See the true color of any image or object

A 3D clip-on that helps you comfortably watch ... 3D movies, 3D television and read book and magazines with 3D content. You can now say goodbye to those huge inconvenient 3D glasses which you have been using on top of your specs.

Night vision clip-on ... because, night vision glasses ... are a real boon in low light conditions, as they enhance your vision of objects, making it convenient for night driving, night life, sports activities and many more.
