- grid varnished metal
brass
- basin LivingTec®
Travertino marble
- drawer lacquered ash
smoked oak

Colours (Frame)

- Black - RAL 9004
- Brass
- Bronze

Colours (Basin)

- White LivingTec
- Travertine

Colours (Drawer)

- Black
- Dark Brown

What is LivingTec? LivingTec is moulded from a lightweight, man-made material – a composite of aluminium oxide and polyester acrylic resin – they both have white oblong bases with straight sides to create the required depth for their different functions.
