*Please note that the exact look of these finishes may be altered in digital format and colours may be slightly different to what they appear to the eye.

Perrin & Rowe's Classical and Country ranges offer lever handle upgrades from the default metal levers.

Perrin & Rowe classical and country style taps are available with white porcelain handles. The classical range comes standard with these inserts. The country range comes standard with metal inserts and can be upgraded for a small additional cost.

Perrin & Rowe classical and country style taps and showers are available with black porcelain handles. The classical range comes with white porcelain inserts and can be upgraded to black for a small additional cost. The country range comes standard with metal inserts and can be upgraded to black porcelain for a small additional cost also.
