DIGITAL OZONE AIR PURIFIER WITH HEPA FILTER

HOME

Innovation with purpose
OZONE AIR PURIFIER

Don't just mask odors at home; eliminate them! Whether it's residual smoke, pollen, pet odors, or dust, the Ivation® Digital Ozone Air Purifier with HEPA Filter captures those problematic particles in the air, oxidizes, and fully sanitizes them. Breathe deep, knowing the air is fresh and clean.

- Programmable timer for customized cleaning
- HEPA filter to remove allergens from the air
- Removable filters are easy to clean and replace
- UV lamp and TiO₂ photo-catalytic filter
- Built-in ionizer works to reduce area dust
- Four levels of adjustable ozone purification
