

intelligent design™ cast in place replaceable  
ADA compliant dome geometry

Nylon composite, corrosion resistant anchor and stainless steel fastener provide unlimited re-installation due to self-threading design.

Strategically placed reinforcing internal ribs determined by Finite Element Analysis (FEA) generates enhanced stiffness and structural support.

Reinforced top and bottom flange determined by Finite Element Analysis (FEA) generates enhanced stiffness and structural support.

U.S. PAT. PENDING

Hexagonal molded forms for permanent interface between tile and anchor system. Fastener/anchor system comes pre-assembled.

easy to install, easy to replace
