

**BSE-TSE AND PRION FREE CERTIFICATE  
FOR EMPTY HARD CAPSULES OF VEGETABLE ORIGIN**

This document certifies that the empty hard capsules of vegetable origin, manufactured by C.I. FARMACAPSULAS S.A. have been inspected and tested in accordance with the conditions and specifications established in our Technical Information Manual and manufacturing procedures.

The capsules of vegetable origin, K-CAPS<sup>®</sup>, and the raw materials used to produce them are free of any animal ingredient; they are made from HPMC (Hydroxypropyl methylcellulose), which is obtained from cellulose; however, the K-CAPS<sup>®</sup> are BSE-TSE and Prion free.

All raw materials are certified as Kosher, and Halal, and meet all requirements of current European Pharmacopoeia (EP) and United States Pharmacopoeia (USP). Cellulose ethers are considered as Generally Recognized As Safe (GRAS) by the FDA.

The above specifications apply to all K-CAPS<sup>®</sup>, unless otherwise stipulated.
